

## Plastic Pollution Mitigation

MBNMS Sanctuary Advisory Council

August 17, 2018

#### **About Us**

For 40 years, Save Our Shores has been protecting California's Central Coast – from offshore oil drilling to sand mining; Sanctuary status to plastic pollution

#### 2017 Refreshed Mission Statement

To steward clean shores, healthy habitats and living waters to foster a truly thriving Monterey Bay and Monterey Bay National Marine Sanctuary

## THE PROBLEM

## 1950's

## Today

## Why We've Gone from Love to Hate

#### California Statistics

os Angeles River

An estimated 3 million tons of trash can be found off the California coast after a storm or holiday...

### **SOS Litter Stats**

### 2017 By the Numbers

1.	Cigarette Butts	21,166	
2.	Plastic pieces	18,621	
3.	Plastic wrappers	11,366	Microplastics = 38,753
4.	Polystyrene pieces	8,776	
5.	Paper pieces	7,017	
6.	Glass pieces	4,060	
7.	Plastic bottle caps/rings	3,526	
8.	Metal bottle caps	2,393	
9.	Glass bottles	2,136	
10.	. Plastic bottles	1,956	

## SOME SOLUTIONS

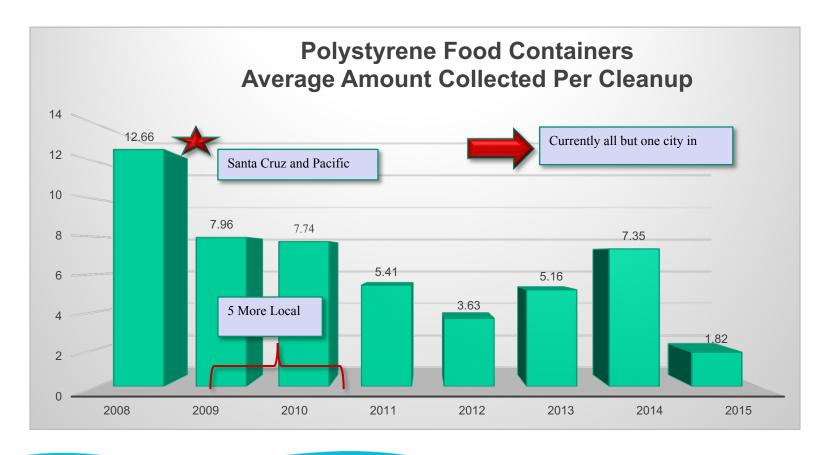

### Polystyrene Packaging Bans

- Facilitated passage of polystyrene packaging bans
  - Capitola Carmel Del Ray Oaks Marina Monterey County Monterey City - Pacific Grove - Salinas - Santa Cruz County Santa Cruz City - Scotts Valley - Seaside – Watsonville
- Currently supporting statewide polystyrene legislation SB1335

## Polystyrene Trash Trends

### Single Use Plastic Bag Bans

- Facilitated passage of single use plastic bag bans:
  - Capitola Carmel Gonzalez Greenfield King City Marina Monterey County – Monterey City – Pacific Gove - Salinas Santa Cruz County – Santa Cruz City – Seaside - Watsonville
- Led central coast effort to defeat plastic bag industry's efforts to overturn statewide ban (2016)

## Plastic Bag Trash Trends

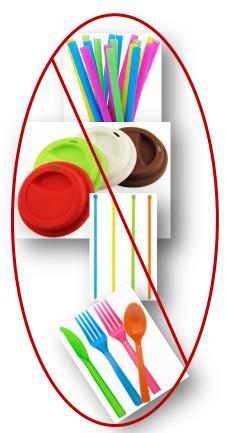

## Expanded Packaging Ordinances

- Santa Cruz County expands polystyrene ordinance to include all non-recyclable/non-compostable plastic food service ware (2017)
  - Straws, cup lids, stirrers, cutlery
- County hires Save Our Shores to conduct countywide outreach to help "to-go" food businesses comply
- · Save Our Shores facilitates passage of similar ordinances in
  - Capitol, Carmel, Santa Cruz City, Scotts Valley (and continuing efforts across Monterey County)

## Close the Loop – Circular Economy

### Extended Producer Responsibility

Extended Producer Responsibility (EPR) is a policy approach under which producers are given a significant responsibility – financial and/or physical – for the treatment or disposal of post-consumer products. (OECD)

#### Assigning such responsibility in intended to:

- Provide incentives to prevent wastes at the source
- Promote product design for the environment
- Support the achievement of public recycling and materials management goals
